The Participant Information Form documents participants’ demographic and health characteristics, including age, gender, race/ethnicity, types of chronic conditions, disability status, and education level. It also assesses some key outcome variables, which will be re-assessed in the Post Program survey, including falls self-efficacy, falls and injury rates, fear of falling, and interference with social activities. ACL/AoA intends to use an online data entry system for the program and participant survey data.

The proposed Falls Prevention Data Collection Tools can be found at ACL's Web site at: [http://www.aoa.gov/AoARoot/AoA\\_Programs/Tools/Resources/collection\\_tools.aspx](http://www.aoa.gov/AoARoot/AoA_Programs/Tools/Resources/collection_tools.aspx). #### Availability of Program Instructions for MIPPA Funds Program Title: Medicare Improvements for Patients and Providers Act: State Plans for Medicare Savings Program, Low Income Subsidy & Prescription Drug Enrollment Outreach and Assistance

*Announcement Type:* Initial.

*Funding Opportunity Number:* AOA-MI-14-001

*Statutory Authority:* The Medicare Improvements for Patients and Providers Act of 2008—Section 119, Public Law (PL) 110-275 as amended by the Patient Protection and Affordable Care Act of 2010 (Affordable Care Act), reauthorized by the American Taxpayer Relief Act of 2012 (ATRA) and reauthorized by section 110 of the Protecting Access to Medicare Act of 2014.

*Catalog of Federal Domestic Assistance (CFDA) Number:* 93.071.

**DATES:** The deadline date for the submission of MIPPA state plans is 11:59PM EST 08/04/2014.

#### I. Funding Opportunity Description

The purpose of the funding is to enhance efforts through statewide and local coalition building focused on intensified outreach activities to help beneficiaries likely to be eligible for the Low Income Subsidy program (LIS), Medicare Savings Program (MSP), Medicare Prescription Drug Coverage (Part D) and in assisting beneficiaries in applying for benefits. ACL will provide funding to State Health Insurance Assistance Programs (SHIPs), Area Agencies on Aging (AAAs), and Aging and Disability Resource Center programs (ADRCs), to inform older

Americans about available Federal and State benefits. ACL seeks plans from states that will describe how the MIPPA funds will be used for beneficiary outreach and education over the next three years.

ACL requests that states submit a three year state plan with specific project strategies to expand, extend, or enhance the outreach efforts to beneficiaries on Medicare Part D and for those with limited incomes. States should describe how the SHIP, AAA, and ADRC efforts will be coordinated to provide outreach to beneficiaries with limited incomes statewide, for general Medicare Part D outreach and assistance to beneficiaries in rural areas, and for outreach activities aimed at Medicare prevention and wellness benefits as well as the improvements in the Part D program under the Affordable Care Act as mandated by Section 3306 of the Act. States are asked to review their 2013 MIPPA plans and update these plans to reflect successes achieved to date and direct their efforts to enhance and expand their MIPPA outreach activities.

State agencies may prepare either one statewide plan or separate plans for each eligible State agency.

#### II. Award Information
