

Business Acumen Network Profile

Network Location

Nashville, TN

Network Name

The Arc Tennessee Coordinated Services Collaborative (for now)

Network Structure Type

At this time, the network structure is fairly informal as we are very new. As we move forward in this process, it is likely that it will become more structured, potentially with MOUs and/or subcontracts between The Arc Tennessee as the primary contractor with the MCOs and the network partners providing the services.

Contract Prospects

- United Healthcare
- Blue Cross Blue Shield
- Amerigroup

Potential Target Population

The primary target populations are people who are aging with dementia and/or people with intellectual and developmental disabilities (IDD) who are aging. After the initial phone conference with our TA advisor, however, we will likely expand to all IDD and dual eligibles.

Potential Service(s) and/or Service Package

- Person centered planning
- Family education
- Evidence based programs around dementia care
- Care and transitions management
- Personal Assistance
- Residential supports
- Employment supports
- Habilitation supports

Collaborative Partners

- The Arc Davidson County
- The Arc Williamson County
- Buffalo River Services
- The Arc Hamilton County
- Alzheimer's Association Mid-South Chapter
- Mid-TN Support Living
